# Jean Claude Misigaro

Software Engineer

I am a self-motivated, ambitious person who has developed a mature and responsible approach to any task that I undertake. With a creative, adaptable nature and an eye for detail, I aim to pursue my passion for App Development (asp .net & Web) in a team where I can work collaboratively with others towards an objective of professional excellence, for a dynamic and fresh digital brand and Digital native for Data Science.
📍 Kigali, Rwanda in 🐦 🐙 📋
